THE AREA

The biggest features of the Arden Arcade area are the Cal Expo Fairgrounds, which also houses the Sacramento Republic FC soccer club's Papa Murphy's Park, and the sprawling Arden Fair Mall, which houses numerous national retailers, restaurants and is surrounded by a host of other restaurants and developments. Hotels in Arden Arcade have convenient access to downtown Sacramento via Highway 160 and Interstate 80, as well as access to East Sacramento and North Sacramento. Restaurants on Fulton Avenue draw locals and visitors alike, providing a culinary cross-section of Sacramento's diverse population.

THE BUILDING

901 - 907 HOWE AVENUE

901-907 Howe is a high profile 15,500 square retail building in the Howe Arden Corridor one of the main arterials connecting Hwy 50 to the South and I-80 to North in Sacramento California. The building recently received new paint in August of 2021. This building is comprised of National Tenants such as Panera Bread, Blick Art, a high-end Medical Back Retail Store, and Darna which make up the synergistic tenant mix. This 100% leased NNN asset is a recognizable retail landmark in the Howe/Arden corridor. With its shared parking field, the property benefits from multiple ingress/egress access points on to Howe Avenue and Northrop Avenue.

With its grandiose presence and curb appeal clientele of the existing businesses have an easy time recognizing the building on the corridor. As the building sits on a signalized intersection access is simplified and convenient for motorists, cyclists, and pedestrians. The building is surrounded by tens of thousands of square feet of offices, high density apartments, and single-family homes such as the Portofino Project a newly constructed single family home gated community. Given its strategic location, ease of access, and curb appeal this asset creates stability and recognizability on the Howe Avenue corridor which on a daily average sees +/- 49,500 cars per day. The property is a true landmark located in Sacramento.
